The Premises:

First floor flat in terrace of houses. Smallish room, everything neat and clean. No bath only good shower.

The Lady:

She is a bit older than advertised (as usual). But she has a beautiful face, natural breasts and great body to my eye.

The Story:

I have seen her before and enjoyed myself in every way. Her English is limited but she is bright and understands well, so you can chat. From long experience of girls, I can say that Aileen definitely puts heart into her work and does her best to make you feel really good.
