The Premises:

Nice flat in centre of city. Safe, very clean in commercial area.

The Lady:

Beautiful young lady! She looks great in her pictures but they still don't do her justice with her lovely cheeky smile and sparkling eyes. She has a trim body with a perfect bum and little boobs.

The Story:

I have seen Meli a few times now and it is still a thrill every time. She is a happy, sexy, intelligent girl whom it is such a treat to chat to, to kiss, to fondle let alone have sex with.

We kissed and I took off the last of her clothes as we cuddled and fondled. She went into an extended owo (presumably at her discretion) with cheeky little looks and the sex was just brilliant, first in cowgirl then variations of missionary.

People mock reporters who say treat this girl well but she deserves all the care and consideration going and a happy Meli will be a most wonderful sexual partner to you so it is everyone's interest. A brilliant lady.
