The Premises:

It was a hotel a little walk from the station. I've been there before and its discreet and easy to get to the room.

The Lady:

Megan is in her early thirties and as fit as you like. Pretty, English, smart and sexy with lovely enhanced boobs that make a great all round package.

The Story:

I'd forgotten to do this review but thought I should add it in as Megan was a complete start last year. I remember the date as it was around her children in need appeal (yes, really!)

We had a fantastic time and Megan is a complete PSE. I will remember having her over the edge of the bed gagging her with DT for a very long time. She's crazy dirty but smart with it. Some might find this imposing but for me it was quite the turn on. I would love to revisit and do her and her friend Jessica at the same time!
