The Premises:

Small flat but good sized bedroom. Spotlessly clean as you would want. Situated in a small road very close to Edgware road. Entrance is a bit obscure but easily accessible.

The Lady:

Very pretty, slim and busty although bust is enhanced. Perfect little body, not much of a bum because she is too slim all over to have a meaty arse.

The Story:

I wanted, asked for and got a domination girl. She was ok for the domination and after that she was very accommodating and concerned that I left happy and satisfied. I think I had a bit too much to drink before I went to see Min Min and it was difficult for me to finish, but after some expert OWO and anal (covered) I reached a climax up her pert little arse. Min Min is my idea of sex-on-legs if you like small and petite. She speaks good english and although it was late she showed no signs of being tired and made sure I had a great time. Can't wait to be in the area again for a repeat performance. Oh, just one thing, the hot water wasn't working at the time but the agency did tell me before I agreed to book. Hopefully it's working now.
