The Premises:

easy to find flat just outside the main shopping centre in Milton keynes.good location and when inside nice spacious rooms with smart decor.

The Lady:

Blonde, lovely big boobs, slim figure, long legs, really pretty face and beautiful eyes. the sort of woman you can't take your eyes off once you've seen her.

The Story:

I love my Blondes and really wanted to see Lucy as soon as her photos came up on the website. She let me in wearing a sexy nurses outfit and put me at ease with a very sensual massage, i was getting really horny so began kissing her, it was really nice, shes very attractive so i was enjoying it a hell of alot.

Lucy then gave me a fantastic blow job ,soft and wet ,i loved every second, i wanted to suck on her pussy as i was feeling really frisky,i hope she enjoyed it as much as i liked giving it,a hot wet pussy is a wonderful thing.

Lucy asked me if i was ready for sex,i could n't wait,we began with me on top and i was loving all the kissing,this lady is the best G.F.E. ever. we then went to the Doggy position and it was fab, i came before long as this was a really good fuck.

I will be seeing again soon as this was one of the best punts i've ever had.
