### The Lady:

Very pretty Thai girl. Was knocked out when I first saw her and was hoping she was not just the receptionist!!

### The Story:

After dealing with the paperwork, she undressed me and saw how hard I was already. She asked if I wanted a massage but I am afraid that seeing her naked body and the fact that Jonny was champing at the bit made me say that I'd leave that until later! She asked for me on top and I obliged and kept going reasonably (and surprisingly well) as I was fearful that it would all be over in about 5 seconds. Cleaned up after round 1 and she then gave me a great massage until Jonny livened up again and she said she wanted sex again. This time it looked like I was going to take ages so I withdrew and she finished me off with a great HJ (uncovered). I think I was in and out in 40 mins although I paid for a hour but I had a great time and two cums with a very beautiful lady! will repeat
