The Premises:

Gena has a modern presentable flat in a safe and quiet neighbourhood. Free parking nearby (ask her for the details, I didn't know about it on my previous visit).

The Lady:

Gena is petite and fit with small but nicely formed boobs. She has a neat and shapely bum.

The Story:

On my previous visit to see Gena (18 months ago) I was a novice punter. I didn't make this clear and Gena said later that from my confidence on the phone she had assumed I was experienced and so didn't spell things out for me. As a result that punt didn't go so well organisationally speaking, with it starting late and being truncated as a result. Plus I was quite mute during the session.

The reason I returned now was that I placed a reverse booking with some specific requests and requirements and Gena's reply ticked most of the boxes (many more than the other responders). I'm glad I chose to return for another meeting.

Gena's modus operandi certainly suits me now I am no longer a novice. She welcomes being told exactly what you want to do to her and with her and gives great feedback about how she is enjoying it. Her OWO is fantastic and she adds another dimension with the hot and cold version. She has a great line in dirty talk. It's amazing how that can provide the encouragement needed to come or come again.

Her deep throat over the edge of the bed was another highlight. And of course there was mish, cowgirl and doggy to be enjoyed too.

I suspect I'll be visiting her again some time in future.
