The Story:

Nearly 12 months ago I met Chloe when she was on tour in London, and lucky me I found myself in her home town of Leeds. She was exquisitely dressed in a dark basque and red stockings. We swiftly completed the formalities, which was followed by a delightful snog, before moving to Chloe's bedroom where we snogged deliciously. Chloe certainly enjoys being kissed, and as my hand reached between her legs she was deliciously wet. Somehow she removed enough of my clothing to start to suck my cock, in an incredibly sexy way. Chloe doesn't hurry, taking her time to make it a true GFE, as I managed to turn her around so we could 69. Her shaved pussy tastes so sweet, responding to my tongue and fingers.

Couldn't hold back, and after we chatted for a little while, she even made me a cup of coffee before we started again. With her basque somewhat undone I had the pleasure of her hard nipples, and so wet pussy again. Suitably attired we were both ready, missionary, doggy, Chloe on top, before finishing missionary.....my balls soaked from her squirting. So glad I booked 2 hours as we had a further delightful time before the end, OMG it's a few years since I came 3 times in 2 hours

There are many girls who claim to offer GFE, Chloe does and in spades. Wonderful
