### The Premises:

New build in Wallington. Never felt as safe. Intercom to come in. Flat was clean and fresh. I think there will have been security about but they didn't show themselves. Just the 2 ladies

### The Lady:

Sexy as hell. Blonde with dark eyes. Pert breasts but wide hips just how I like a woman and short. Smelt very good also

### The Story:

After the session I felt like I was walking on cloud 9 having not screwed since December but on reflection, there were problems. She wouldn't let me go down on her, wouldn't let me finger her, tried to end the session a good 30 minutes early, kept acting strange. A very nice girl though and the place seems like a place I'd go back to but I doubt it would be to see her. On a side note she says she's Italian but she sounded Portuguese to my ear.
