The Lady:

Anna has an amazing figure, is very good looking and in her mid 20's. If I had to guess the vital stats I would say she is 36C 24 36. Her hair is long and dark, there was a natural bush when I saw her and you won't be disappointed. She is educated and articulate.

The Story:

I have seen Anna about 10 times over 4 years so this was not a one off experience. She answered the door in a sexy and revealing outfit that had me hard very quickly. Quick chit chat over I gave her pussy some very focused attention until the sheet below was becoming very wet. Anna then reciprocated and I had 15 mins of great oral (OWO) - I loved it as she didn't use her hand and mouth, but just her mouth and tongue. Started out the way we then fucked cowgirl, mish, sideways and lots of doggy. When I came it was intense and very satisfying. Anna hasn't advertized her services for 2 years as she has had enough regulars to keep her happy; this is evidence enough that she is worth a visit as not many girls achieve this
