### The Story:

i booked Carolyn for 1 hour but i leave from there in 20 minutes. she got so much negative attitude. she cant treat me properly. she don't know how to give proper service to VIP customers. if any agency got this girl they gone loose their good customers and business . she didn't care about customer review she told me this as well. at the end my money is totally wasted on this girl. if u wanna go in hell go for that girl she give just more stress apart from this she got nothing but agency is good. Don't waste u r money on this girl this is my experience.
