The Premises:

Discreet entrance, Basement premises close to Piccadilly.

The reception area was pleasant enough, but room 2 which I was led to looked as though it hadn't seen a duster or a broom in years. The air vents were thick with dust hanging out of them, the fan on the shelf had dust hanging off it and the shower area was grubby and untidy with a tired shower curtain, the shower head hanging off its bracket and a shelf with a bottle of Radox with half an inch of liquid left in it, all that's required is a bit of dusting and some housekeeping.

The Lady:

Maria was absolutely lovely, 20 years old, fantastic figure and long dark hair.

The Story:

After an initial shower Maria was sat waiting and although I didn't realise it from meeting her along with the other girls in reception, she was Romanian and her English was poor, this wasn't a problem for me, we managed to communicate fine and this just added to the fun.

She started with a massage (it was really no massage at all just rubbing my chest while we talked, but to be fair I was more interested in a little chat, and who's to say I didn't put her off by talking).

No extra's seemed to be on offer but then I wasn't much bothered anyway, she had already decided on covered oral, and I wasn't really fussed, but it was at this point I began to realise how inexperienced she was. Maria's oral technique reminded me of when I was a teenager and we were experimenting and discovering sex for the first time, it was actually quite sweet in its own way.

Moved into missionary...and wow!!! Suddenly dawned on me that I was having this amazing sex with a beautiful young girl, we fucked for ages in that one position, I didn't want to change because I liked looking at her exactly where she was, eventually I moved her legs up to pound her really hard and deep before leaning myself back to fuck her at a different angle and see myself slowly sliding in and out of that sweet pussy of hers, then back to a final good, hard fuck while we kissed and she stroked my back, before long my cock was in heaven and I was cumming hard inside her.

No time for a second 'service' because we were out of time but I didnt care.

Maria...I think youre wonderful!
