The Premises:

Amber has a nice house about 10 minutes from the City Centre. It's a nice area, and not overlooked. The house and all the facilities were spotlessly clean

The Lady:

This was my first visit to Amber who is around 30, with a lovely slim figure, long dark hair and 'come to bed' eyes

The Story:

Amber and I had exchanged emails before my booking, the communications were pleasant and somewhat exciting. Amber is new to this business she seemed excited by the prospect of our meet - which in turn excited me.

I made a special effort to arrive clean and tidy and was not at all disappointed when Amber greeted me at her door - she was dressed in a very slinky black dress, thigh high PVC boots and stockings. She looked stunning - lovely long hair and a very sexy smile.

Once upstairs kissing and oral were enjoyed by us both: Amber responded very well to my tongue and became very wet indeed

The clock was against not to say Amber had her eye on it

I shall definitely return - I'd be there every day if I could afford it.

This lady is highly recommended !
