The Premises:

ground floor flat I think in a converted house on a busy residential street near a bus stop. Safe area near marylebone and baker st tube stations. Clean and decent bathroom and bedroom and the flat looked clean on the whole. Safe area

The Lady:

Lady was blonde maybe 5ft 6 to 5 ft 8. Cute eastern european looking (czech republic). Great big tits (natural and huge), I was in love with her tits and a good size ass and strong legs. She is a curvy girl with amazing body and looks. Mid to late twenties looking I think. She is my type of girl like a greek goddess.

The Story:

I really enjoyed her. Left with a big smile or grin and had to try to get rid of the smile as I was walking home but had some difficulty. She invited me in whilst wearing her basque and a wrap. Amazing curvy figure with huge boobs. I handed over the money then used the toilet quickly. Then went back into the room and got undressed. No knickers by the time she got on the bed. She started to suck me off with covered oral. She is very good and went at it like a determined merciless machine (hoover). She gives covered oral better than most girls bbbj. You can get bbbj from her if you pay extra but I couldn't be bothered so was happy with the covered as she knew what she was doing. I tried to have sex with her but had some performance issues so stuck with the oral which was way too good anyway. Finished with oral into her mouch, covered though with mac. Then freshened up and got dressed. We had a bit of a chat (speaks good english) and then said goodbye to each other. I will definately come back again as I have to really give her pussy a try and need to enjoy those tits again. Boob and ass lovers dream!
