The Premises:

Beautiful apartment in basement of block. Very discrete and good decor. Ensuite bathroom was luxury!

The Lady:

Absolutely the same girl as in website. This chick has the most amazing body and her ass is stunning. She has a very tight pussy and doesn't mind you stroking, fingering, licking, kissing, sucking or fucking it! Her face is covered and bless her not the best looking girl, but her amazing body more than makes up for it.

The Story:

She greeted me wearing sexy lingerie - its a cliché but works for me! Immediately put me at ease, took the money and stripped revealing her amazing body! She asked me to suck her nipple which I enjoyed. My dick was hard by this time and she asked if I would come quickly and I said probably! She put on a condom and sucked me while I fingered her. Then I fucked her missionary and then doggie with a wonderful view of her ass and came really hard. After a quick shower we chatted and she got up and started dancing naked! That got me going so we fucked more, sucked more and she wanked me determined to make me cum. This chick is a gem, get her before she goes! Oh and she's Spanish.
