One of the usual places. Safe, parking, incognito, ideal.

The Lady:

Stunning. Recently enhanced breasts so different to online picks, but it is a good job.

The Story:

This is a glowing report, but it is deserved. Gorgia is captivatingly beautiful. There's no two ways about it. However she does not 'live' off that and is also a brilliant escort. She welcomes with a smile that suggests that she is actually happy to see you. She is full on in the room. Really good to talk to in the 'downtime' (of which there isn't much of). Gorgia is young, but actually very well rounded.
