The Premises:

Nice enough area, enter down back street. Standard nosey neighbour complex on arrival.

The Lady:

Ericka can be found on the leading directory website. The pictures on this website are a little misleading, but she certainly has large tits. Body is average, let's just say it's not toned.

Flat is clean and she makes effort to make you feel welcome. Sweats and slippers on arrival is not the greatest turn on, but she did undress to lingerie.

The Story:

Arranged for 30 mins, expecting GFE as advertised. First thing she says is "I don't do kissing". If I knew this, I would not have booked.

Straight into BBBJ, no eye contact nor deep throat, but it did the trick after a few minutes. CIM and swallow, can't fault that.

Upon getting ready for round two, the conversation swayed from her life as an escort, and bored of it. Visiting STD clinics and working too many days, blah blah. Anyway, suffice to say this and no kissing made round 2 a non-starter, I just wanted to get out of there. Paid for 30 mins, was out in 15 mins.

In general her heart is in the right place, and I suppose for the price and short notice of appointment it's not so bad. But there are much better (and sexier) out there for the same money. If your desperate worth a try, otherwise, go elsewhere.
