The Premises:

Very discreet and well presented apartment in a very upmarket location. Safe with good parking.

The Lady:

Kelly is toned, tanned and has curves in all the right places. Fantastic boobs. She was dressed in short skirt, nylons and panties, with a white blouse. Just as I had asked. She also wore a fantastic pair of heels, with a very painful looking array of studs on the back and sides. Ouch.

The Story:

Kelly was very friendly and made me feel at ease. We sat and chatted for a while to settle nerves and then she led me to the bedroom. All I can say is that she is an amazing find. She knew exactly how to turn me on, teasing and making sure I got exactly what I wanted. We had a great couple of hours together and I know she enjoyed the time too. A real gem, not to be missed. I can't wait to see her again.
