The Lady:

Tanya is a petite oriental lady. Exceptionall attractive with a gorgeous little body. Perfect tits, and a great ass. She has an advert on another website that describes her as 5`4 when she is obviously not much over 5ft. If anything. Just the right height tho guys.

The Story:

Well, ive being going to Tanya for some time now. She always delivers a great experience. I truly believe she really enjoys her work. Some Ladys you can tell they are only there for the money. Tanya helped me out of my clothes and started to massage my cock. She used a little oil and then started to suck and lick my by now massive erection. After a good few miutes of this she mounted my tent pole. She told me she wanted to come and was going to go slow. She did this and had a massive orgasms after about 15 mins of fucking. She then carried on and had another orgasm before we changed positions. Doggy, and then spoons, where i then shot my bolt into her. We lay for a few mins sweating, and then she cleaned me up, as she always does. This is a great punt and worth every penny.
