The Story:

My first visit to Aberdeen ans at a loose end at the weekend ended up seeing Tess. As soon as she opened the door I thought to myself if this one fucks as good as she looks Im on to a winner. Afraid not, despite agency confirming full GFE with FK, OWO & CIM she does none of these. Shes a reasonable shag as shes so good looking but little interaction on her part. At ?120/hr shes at the lower end of the markert and suppose you get what you pay for. If you want to screw a young stunner go for it but I thought disappointing and left 10 mins early. Looks 10/10, body 10/10/ performance 4/10.
