The Premises:

i have been here before and as ever it is the best parlour i have ever visited, very smart!

The Lady:

highlighted shoulder length hair, slim, great figure and very friendly like seeing an old friend even though this was the first time i had seen her.

The Story:

made use of the jacuzzi then waited upstairs for about five mins, paige then took me through to one of the rooms which had a massage table and bed. started off with a very good massage with lots of teasing around the important bits, then i gave paige a massage moving onto me performing oral and boy did she enjoy it, she came and this was not faked, she then did oral with then mish i then asked for doggy and she suggested we stood up over the massage table which was just fantastic.
