The Story:

Well this was interesting. There are sometimes those little tell tale moments when you should realise that the punt is not going to be all you hoped. Introduced to Lilly and she looked ok, pretty, wearing a massage uniform with lots of chest on show. She came across as posh maybe. Asked if she had any stockings and she replied she never wears them as her legs are so smooth they always fall down. Now is it me but surely she must have received that request before? Anyway it appeared she was there primary to please herself and I the punter should be pleased that I had the honour to pay for some little time with her! Why did I stay? Lilly said half an hour was ?90 which is ?10 more than it states on the profile, but didn't want to make a fuss so said I only had twenty's and handed over ?100. Lilly took the money and said she would get change. I stripped off and lay on the bed. Lilly returned and started a massage which was ok. Turned over and she applied the condom to my semi erect cock and started oral, which was fine. I suggested we have sex and we started in cowgirl, then doggy, all nothing to write home about. Then I suggested she wank me over her very fine tits, which she did whilst I was standing. After I had finished and cleaned myself up, I asked for a shower, but Lilly said she needed one first. Ok I said but could I have mine first? Lilly replied 'I have your spunk over my tits (she had already wiped them)and need a shower more than you!' Fuck sake, thats a first. Lilly could never be a courtesan, knowing how to look after a punter. I was clearly just an interruption to her day!
