### The Story:

I have been meaning to meet with Eleyna for ages but she usually doesn't work close by. When I saw she was in Maidstone I quickly booked. Arrived really looking forward to it, I wish I hadn't bothered. the most animated all punt was when she took the money. She advertises a full GFE but does not kiss, seems not to like you touching her & is as disinterested as could be. The BJ was per functionary & covered (always a turn off) she has no passion & basically just lies there totally disinterested. I booked an hour, came once (because I needed to) but no chance of coming again. Left after 25 minutes. In 20 years of punting this is absolutely the worst punt ever - guys it would be more fun (& cheaper) to have a wank - AVOID.
