The Premises:

nice clean and safe good sized rooms with shower massage bench and double bed. rear entrance. on looking at the web site I have found that there should have been no cover ?10, between 17-18.00. Not a good practice!! Only one girl available, busy apparently, though I saw no one else.

The Lady:

spanish short brunette 5'8" size 8 34b approx early 20's. rather brusque, possibly because her english seems limited.

The Story:

Money asked for up front for the pushed ?60 special, which frankly is just sex and covered oral. Went for this. Brief back rub by no means a massage. Then turned over quick hand job to get me hard, not usually required! very brief and poor head suck then asked to take her from behind. this i did and due to any lack of responsiveness i just filled the bag. She then tossed some wipes on the bed and started to dress. As i was dressing she asked me to fill in the visitors book and seemed put out when i declined.

All in all very disappointing, hopefully this is not the case with the other girls as the quality of the premises deserves much better service or the investment will be a waste.
