The Premises:

Flat in a modern block just off Wellington Street. No problems finidng the location.

The Lady:

Tall, slim, very attractive blonde with lovely smile. Model looks and great personality. Legs and bum to die for. Photos on the Diamond site do not do her justice.

The Story:

This was my first meeting with Cindy and my first time with Diamond Escorts. Cindy opened the door dressed in her business clothes and after a short 'hello' I headed for the shower as it was a very hot day. Back into the flat to find Cindy wearing a black bra and thong which perfectly showed off her amazing body.

Started with Cindy doing an erotic lap dance with touching - she used to be a preofessional - and then on to the bed for a more intimate time. I won't go into details other than to say that Cindy provides an amazing experience. Her little squeals add to the delight and she can be a real minx. Superb. I would happily see again.
