The Premises:

My hotel in Milton Keynes, ideal location and very private and safe

The Lady:

tall stunning slender girl with dark hair and a nice body

The Story:

Helen arrived on time and was dressed discreetly, soon stripped down to sexy underwear, we had been communication for some time before the meet and I had given her some hints as to what I wanted, She met all my requirements and more, very professional and no clock watching. I could not believe my luck at picking such a good escort.

I will book again if I ever return to Milton Keynes
