The Premises:

Downstairs flat in a large house not far from South Croydon Station. Inside was clean with a good bathroom and then bedroom was welcoming.

The Lady:

Didi or Dee Dee is a petite oriental, with a classic body, smallish pert boobs, with suckable nipples and a cute bum and she is shaved below.

The Story:

I have seen Dee Dee regularly over the past few years and have become very friendly with her, she gives me a perfect service, tender and passionate, with an ability to squeeze my cock whilst in her beautiful pussy. The only downside to Dee Dee is that communication is difficult as her English is poor, but I defy anyone to be disappointed with their time spent in the company of this oriental delight. She is simply a gem. Please don't go and see her, it might reduce my access!
