Good looking slender black girl, with nice breasts and delightful bum, shaved below, but a bit stubbly.

The Story:

I really like slender black girls, but they are in short supply, most are of the generous/BBW variety, so I was really hopeful of a good time. Wrong. I couldn't have found someone more disinterested if I tried. Lay on the bed stroking each other, wouldn't kiss, eventually shed clothes, asked if I could lick her, had a sort of "if you must" attitude, with not a sound, eventually asked for oral which she did covered, can you imagine the difficulty of putting a condom on a limp dick!!, I did eventually get a bit of a stiffy and tried penetration, this wasn't very succesful, so finsihed myself off and left, never to return.
