The Premises:

In the middle of decorating so a scruffy but felt clean. Area seemed safe.

The Lady:

Has a cute face and nice firm breasts, admits she has put on a bit of weight after a recent op but when the skin tone is as nice and firm as hers then thats fine by me. Has a nice friendly attitude.

The Story:

Apologised for the place being in the middle of decorating, friendly manner made me relaxed and I went into jabber mode such that even she said I talk a lot.

Had a nice time and she was attentive to make sure I left a happy guy, good to see a girl who wants to provide a good service and get repeat business.

A bargain at the price and I would return.
