The Story:

First time I've felt compelled to write a report here, so here goes. Greeted by her gorgeous smile which made me feel comfortable straight away, although I've listed a few girls I've always taken a while to feel that way, the majority of which I've not quite clicked with but Maria comes across as someone who actually enjoys what she does. She just radiates enthusiasm. She gives the impression she is really in to you. Amazing deep kissing with tongues before undressing me and leading me to the bathroom for an assisted bath during which she thrust her pussy in my face. Oh what a tasty clean pussy. I could've licked for hours (I almost did) we 69'd in the bath during which Maria asked me if I wanted to fuck her pussy and fuck her arse. Then to the bedroom for more kissing and bbbj. I said I wanted to drink her pee and she said she hadn't been told by the agency but no problem as she reached for a bottle of water and drank 3/4 in one big gulp. We 69'd again and I was having the time of my life. Maria appeared to love having her pussy licked. To me it seemed genuine. Either it was or she deserves an Oscar. This continued for quite a while then she pulled up for some more deep kissing. After this on to the floor and she squatted over me and pee'd in to my mouth. Back on to the bed, more kissing, then on with the rubber for some missionary and anal doggy. Then one last bbbj and I wanked and came in her mouth. I collapsed on to the bed and then she chased me all over the bed to snowball me, something I had no interest in doing but I was, by this time, under her spell and submitted to her. I just had to, with her cheeky playfulness I felt that it would make her happy, which is the least I could do after all she made me very happy. In a nutshell Maria was sensational and if I won the lottery none of guys would get the chance to see her. I'd run off with her and just lick that delicious pussy all day and all night.
