The Premises:

Nice, clean discreet flat in Birmingham city centre. Directions were easily found.

The Lady:

Both girls are hot mid-20s brunettes. Farah has a slightly Arabic complexion.

The Story:

Farah had been my number one plan when next in Birmingham for ages so when I saw her 2-girl offer I jumped at the chance. Everything was arranged easily and professionally.

Sophie came in first and after an introductory snog, she proceeded to give expert OWO. When Farah came in, looking delectable, I let Sophie carry on her good work and gave her mate some attention. She's got lovely suckable tits and a sweet tasting pussy. Before too long, I shot a big load in Sophie's mouth.

Round two was hard work getting my strength back so early in the day, but they managed it and I got to fuck both of them. Eventually with our time running out, I came fucking Farah with her legs up.

I really enjoyed meeting these two girls. Both very nice people, enthusiastic and with a good attitude.

Highly recommended, excellent vfm and hopefully I'll catch them when on tour in London.
