### The Premises:

A new location to me for Annabellas but only one street away from previous haunts so close to central shops and parking. Safe, anonymous and all as one would expect - except the towel was patterned instead of plain blue!

### The Lady:

Very attractive girl, as pictures, taller than I expected with long dark hair, slim lovely well formed firm boobs and a peachy little bum. Several unobtrusive tattoos and a tongue piercing. I'm not normally a fan of tats but these are a little different and reflect Missy's personality, though I had to have one translated!

### The Story:

One of those punts where we seemed to "click" straight away, despite a considerable age difference. Missy is a very pretty, pleasant, well spoken and intelligent girl who was very easy to talk with. We started off lying alongside each other chatting and slowly undressing each other. I then gave her a massage, about which she was complimentary, before concentrating my efforts on those boobies. RO appeared to be well received and I was able to slip a finger inside. Then my turn; oral was uncovered and focussed on scrotum at my request. Then a brief discussion about who should do what to whom before she mounted me in cowgirl and proved to be both as light and tight as I had hoped. Time after to relax, cuddle and chat.

In summary, a thoroughly enjoyable time with a lovely, personable and sexy girl whom I definitely want to see again.
