The Premises:

Safe area by the shopping centre. Lots of people around and lots of entrances, so no problems there either.

The Lady:

Exactly as on the website. Obviously you don't get to see Sarah's face and she is just lovely. As stated by her, she looks cute and innocent, but clearly isn't - amen to that!

The Story:

Started with some kissing whilst standing up and couldn't help but fondle Sarah's backside, it's just perfectly grabbable.

After a bit more kissing Sarah took the initiative and got me to lie on the bed. A most amazing OWO ensued. I cannot even begin to find the words to describe it. Ended with a CIM.

A little chat and then time to return the favour. Sarah seemed very responsive and made some appreciative noises, not OTT, just right.

Finally on with the cover, Sarah climbed on board and rocked my world! Always looking down with a very seductive smiling face (that just sounds wierd, but trust me, it has to be seen to be believed!).

Finished with some doggy, as I said at the time, a second coming is pretty tough for me, but Sarah took the challenge and boy did she win.

Honestly guys, if you want some fun times with a young lady who is attractive, has a good sense of humour and genuinely seems to love her job and love ensuring you leave with a bounce in your step - I don't think you can do much better than Sarah.

Will I return - wild horses wouldn't keep me away. Just don't let her near your macbook!
