### The Premises:

Very good parlour, IMHO. Had five punts previously, 3 good and 2 excellent. On a strange road with 2 sex shops and loads of curry houses. Adjacent to Bedford Prison. Irony in view of the uneasy relationship between the law and the activity of brothel-keeping. It would really eat up the poor unfortunates incarcerated there to know that a few feet away free men are able to enjoy great sex, for a modest fee, with hot women.

### The Lady:

Sophie is an unusual woman. Late thirties I would guess. Good figure. Polyglot from Paris. Eccentric personality, perhaps even a bit manic, but charming. Reminded me a bit of what Cherie Blair would have looked like at that age. Not one for the unsophisticated punter I would suspect. A real woman. Smoky breath, not a problem for me but some may not go for it.

### The Story:

Had two good punts in three days with Susie and Sophie. However as Site rules mean I can only review one, I have chosen to review Sophie. Susie already has plenty of good reviews.

Services, FK, OWO, Straight and Anal. Doggy position preferred by her and me. Finished by hand, avec postillionage (moi sur elle), and more kissing.

Happy to recommend her but not sure if she would be everyone's tasse de the.
