### The Premises:

A well reported establishment that is clean, safe and has good parking at hand

### The Lady:

I chose Penny in part, because of her photos, which are accurate, but when she arrived in the room I was blown away as she is far more beautiful in the flesh. Her previous good FR's is also a draw and she doesn't disappoint. Penny is an absolutely stunningly attractive brunette. She has a lovely slim figure, lovely pert breasts, a great bum and a lovely personality to boot. Faultless!

### The Story:

Penny is a friendly girl who makes you feel welcomed and we had a nice chat while she gave a very professional massage on my back and legs despite having cut two of her fingers the day before.

She then climbed on the table for body to body which was sublime with some nice teasing to get the temperature raised! Then it was time to turn over and time to experience more of this beautiful girl with more body to body. Penny expertly slid her gorgeous body all over me before taking me in hand to a shuddering climax.

Penny is a great girl and i will definitely be back to see her again.

Thanks Penny for a great time, hope your fingers get better soon.
