The Premises:

Nice clean place, safe anonymous area with good parking.

The Lady:

JJ is a beautiful, petite girl who is perfectly proportioned. She has small pert breasts, just how I like them, and a lovely bum but it's her stunning eyes which hypnotise you.

The Story:

JJ entered the room looking absolutely gorgeous in her skimpy black tunic which she soon removed to reveal her wonderful assets.

The massage was very professional and the body to body was simply exquisite. JJ certainly knows how to use her flesh on you to maximum effect.

Having done my back and legs she turned me over to continue the body to body. What a sight to behold having this stunner sliding herself all over you and there was also plenty of sultry eye contact. When the ending came I was left trembling and exhausted.

JJ is a stunning girl and I cannot wait to see her again!
