Perfection. Five ten, slim and well toned, dark blonde hair past her shoulders and a fabulous pair of augmented 34FF's.

The Story:

It had been a while since I had seen Lindy and as I woke up feeling incredibly horny I thought I'd chance a last minute booking.

I was greeted like an old friend with a glass of wine (never too early) and then led to the bedroom for a mind blowing hour of snogging, sucking, fucking and a professional massage as a cherry on top.

Lindy kisses beautifully and makes you feel a million dollars, she also has a wonderful oral technique deep throating and nearly taking my whole length in her mouth (which is larger than average). We indulged in a naughty anal session first with Lindy supplementing this with a dildo in her pussy, which brought her first and I'm told what would be her only orgasm of the day and then Finishing in her mouth.

A very good massage followed and then onto round two with Lindy sucking me hard again. Second wind achieved and into a mad charge to the end through cowgirl, eventually finishing with Lindy on her back and legs over her shoulders.

Can't think of a better way to spend an hour, I won't leave it so long to return next time.
