The Premises:

Ground floor flat in low rise block. Safe area. A bit conspicuous. Not as discrete as her old flat.

The Lady:

She is mid to late 20's with mid length brown hair, smallish breasts and slim figure with nice legs and bottom. Attractive rather slavic face although she is German. She enjoys kissing with tongues.

The Story:

I booked for 30 minutes. She offers an extra which she calls bulls licking. It involves licking your balls vigorously which I had enjoyed before and I thought I'd try again.

Once I'd found the place which took a bit of a time, I entered the small flat and we dealt with the paperwork. We started by caressing and eventually moved to the bulls licking which was very enjoyable. I did not do owo through choice but it was on offer.

We then moved to sex which was great and I fucked her in mish and doggie. I wanted to come on her tits but this proved a difficult manoeuvre. Eventually I was lying side by side trying to shoot onto her tits.

Once I came she immediately got dressed although she says that you can come as many times as you can in the 30 minutes and we hadn't done more than 20 mins. Perhaps she thought I was incapable or maybe she didn't fancy it but I got the impression that the show was over which was bit disappointing.

I probably wouldn't go and see her again but I never say never.
