The Lady:

Absolutely stunning from top to bottom, best looking girl I have ever seen at ego. Long dark hair, fantastic fake boobs, great ass and all-round top-notch, tight body. Beautiful face behind the blurred photos as well!

The Story:

Welcomed in promptly by the maid and shown upstairs to the box room, bit disappointed to get the small room, but ultimately made no difference. Waited about 5 minutes and then Paige walked in with my OJ looking absolutely gorgeous. Stunning does not even begin to describe this girl, drop dead gorgeous and my mouth was wide open in awe! She was very chatty from the first moment she walked in and had a great personality to go with her great body. Started off on my front, face down and Paige started with a nice light massage all over my body, worked into the knots in my shoulders and good massage on the legs. She then did a very sensual massage on my arms and caressed my hands which felt amazing. She then proceeded onto the body to body massage and teased my nether-regions by gently brushing underneath my ass. I arched my body up to allow her to play with my cock and balls, which felt great and got me rock hard. She then asked me to turn over and she continued to massage me all over, closely sliding her body over mine and holding me close, while continuing to wank my cock. Her superb tits rubbed against me and she smelt great as she was up close next to me. She then sat up and I got to play with her fantastic tits while she wanked me off to a superb finish all over them. We cleaned up and I had a shower (which worked well for once, surprisingly) and then we had a good conversation about holidays and clubbing whilst I got dressed. In summary, great massage, superb finish and a stunning girl with a great personality. Will be back to see Paige asap!
