### The Premises:

We met at Isobel's new flat in a safe residential area, near public transport. Isobel now has a nice roomy room to entertain in.

### The Lady:

A well built sophisticated, English lady with dark hair and a cookie vampish style

### The Story:

This was my second meeting with Isobel and on this occasion I was able to spend more time in pleasant surroundings with her.

Isobel dressed as requested in retro style; bright red lips, black dress, suspender belt and seamed stockings, high heels.

After a glass of wine and initial kisses and cuddles I licked and kissed her all over then pleased her with some 3 point stimulation. Then indulged in some anal.

After a rest and some pleasant conversation there was more oral, then deep mish, doggie on the bed and over it then more O and I finished off over her lovely breasts with firm prominent nipples.

A lovely time on the way home after a busy day.

I will be visting again.
