### The Premises:

Nice flat near the Natural History Museum. Clean, safe, tidy and fit for purpose. Only negative being the builders working upstairs who create a constant noise throughout.

### The Lady:

She is like her pictures but more stunning in person. Lovely long dark hair, pretty face, great slim proportioned body.

### The Story:

My first time with HoD, and if they are all like this, hopefully many more! I was let into the flat by the "maid" which is a little different from my usual approach (ie. usually the girl lets you in) but not an issue.

I won't go into too much detail like I have in previous reports but hopefully the following gives you a good idea.

Excellent GFE with a charming and very friendly girl. She is very chatty, pleasant and accomodating.

Round 1: DFK, RO, OWO, Doggy.

Then a nice massage

Round 2: DFK, OWO, her on top, missionary.

Had a great time and would definitely see her again. Really nice girl who is both smart and engaging.

NEGATIVES: Noise from builders above.

POSITIVES: stunning looking girl, conversation very easy, services delivered perfectly. Oh, and at

?130, good value for London.
