### The Premises:

Nice clean pad in Bayswater with a discrete entrance

### The Lady:

Selena was a tall blonde, almost Amazonian, great figure; a really cute girl. Her friend Anna, was a brunette, with some amazing assets

### The Story:

I should start by saying that I phoned up to book Selena, but the agency recommended that her friend Anna joined us. I've never done a duo before so I was a bit nervous about the idea, but decided, what the heck, you should try everything once...twice if you like it ;)

Hats off to Angels of London, from the moment I got there these two party girls took control and I instantly felt comfortable. Wow, do these two know how to entertain or what. A fabulous time was had by all, with a very sticky ending...over Anna if memory serves!

What an excellent choice 10/10 :)
