### The Premises:

Very discreet terraced house in Kensington. Spotlessly clean.

### The Lady:

Tia is exceptionally good looking and has a fabulous body.

### The Story:

I'd seen Tia about 18 months ago. She took a break shortly afterwards, but such was the quality of that meeting, my HoD bookmark had remained her page (redirecting to their gallery).

One day it opened on Tia's specific page, so I was massively excited that she was returning. Accordingly I headed up to London at the first opportunity.

After a year and a half you might have doubts, "Was she that good in the flesh, or have I just embellished the memory?"

Tia is amazing, better than I'd remembered. She's beautiful, had an amazing body, kisses beyond the realms of a mere "GFE" and is sensational in bed.

On top of that, she's a delightful woman to spend an hour with.
