Debbies well known and often reported establishment. A basement flat with two discreet entrances, Recently refurbished.

### The Lady:

A mature lady with red hair ( a more recent colour than the website photos) She is slim with delightful C sized breasts.

### The Story:

I see it is almost exactly five years to the day since I last wrote a report on Jenny and I thought the anniversary worth the celebrating with another review. I have seen Jenny regularly during that five year period and it is a mark of her skills and services that I have continued to avail myself of them and keep coming back to Anerley.

Digital and oral ministration to Jenny's nipples and pussy produce genuine climaxes and her enjoyment is repaid promptly and with interest.

She enjoys sex and what she does and that enjoyment translates into ensuring that the punter does too. Like good wine she improves with the passing years.
