The Premises:

I have'nt been to Archway in a while but boy am i glad i did. got off at Archway tube and followed earlier directions to a lovely flat in a very nice house, very clean and felt very safe after a lovely welcome. In the past some Archway flats i have visited have been a little down market but this place was far from it.

The Lady:

Amber was just what i was after, a very beautiful busty girl, she told me she was a 38GG bust size and boy was she. She is tall with dark hair and a very gorgeous face infact i just could'nt stop looking at her from the moment she walked in. she also spoke with a posh english accent.

The Story:

Amber made me feel very relaxed from the start very chatty and always smiling. i sat on the edge of the bed as Amber got those beautiful tits out she realy enjoyed me playing and sucking on those bouncy bad boys. then as i lay back on the bed she leant forward sucking on my rock hard dick as her boobs swayed away, plenty of eye contact. then she invited me to fuck her hard doggy style which i did it was an amazing time spent with a very beautiful girl. i think will make this place a regular vist for me.
