### The Premises:

Annabellas new premises... Clean and professional as you would expect.

### The Lady:

Pixie is well documented. As i said in my last review of her she is incredibly cute.

### The Story:

Pixie remembered me from my last visit even though in her words it had been far too long. The only way i can liken this experience was to spending time with a girlfriend who you haven't seen for a long time... Deep kissing, deep, wet owo and great sex during which i felt her cum several times.

As per my previous review i wanted to cum in Pixie's mouth but her pussy just feels so good that i blew my load inside her while she kissed me hard.

Afterwards we chatted and cuddled with her commenting on a new necklace i had and i eventually left with a huge smile on my face.
