## The Premises:

The location was OK but not great - parking on street and it was safe, the ensuite shower door had "problems"!

# The Lady:

Per the photos on the website - basically she was tall with an optimum figure - in my mind she was perfection.

# The Story:

Tara put me at easy very quickly and our date went very smoothly. Just the sight of her working her magic on me was too much and I didn't last long. Great fun, it was absolutely fabulous!
