The Story:

I managed to finally get a booking with Scarlett, upon entering the room I was blown away - a tall gorgeous bird from Leeds, in killer heels, a very short and tight dress - her boobs were popping out and she had no underwear on - WOW!

Scarlett is a confident young woman who has a certain swagger about her - she sucks a great cock and takes it all in her mouth. We sucked and fucked and she kindly kept those sexy heels on.

My only criticism which others have eluded to was that she was texting on her phone during the booking and tended to talk about earning enough money for her new car.
