The Premises:

Staying in a 2 star hotel near to town centre. Free 30 minute parking opposite. Was able to walk in without seeing anyone in reception. Room was clean and reasonably large with a kingsize bed, shower cubicle just fits 2 people.

The Lady:

Very attractive in a cute girl next door way brunette, slim body, nice breasts maybe C cup, firm bum.

The Story:

Has brunette hair now as opposed to the blonde in her pictures on the other site. Her pretty face was smiling and to me attitude is 90% if I stay or not.

She asked if I wanted a shower, I didn't feel I needed one but when she agreed to join me then it was nice to rub our soapy bodies together.

Then onto the bed for some FK and fondling, she started on OWO without prompting and had a nice firm and gentle technique which had me shooting in no time, she doesn't swallow.

Then some RO from me which went down well with her and then onto round 2. We went through various positions, it didn't look like I was going to complete but she wanted to help as much as possible and started OWO again.

Great girl, friendly manner, proactive in her behaviour. She has a proper job and does this as a topup and therefore seems to have a better attitude then a lot of girls. Cannot wait to see again.
