The Story:

If you are looking for someone to go hard at it with then she is not for you. Sarah is the most exquisite lover and companion who is open hearted and a genuine joy to be with. She has an interesting background and she will undoubtedly succeed in her new career as it takes off. She is caring, compassionate, sensual and extremely erotic. If you see her ask her to sing, she's got a beautiful voice. We certainly made music together and were both surprised when the hour was up.
